

**PUNTA BLANCA  
GOLF CLUB**

Located right in the middle of the Caribbean, in one of the most beautiful tourist zones on the island of “La Hispaniola,” is the Punta Blanca Golf & Beach Resort – surrounded by exuberant vegetation and near the ocean. Designed by the world-famous Nick Price, the Resort has an 18-hole golf course, a cozy clubhouse with a restaurant and pretty terrace with views to the putting green, an extraordinary private beach and the Beach Club, Kukua Restaurant and its swimming pools, as well as a real state development of high-level and diverse 5★★★★★ hotels. The golf course, par 72, is designed to challenge every player, hole by hole, with its undulating fairways, bunkers and lakes, especially on holes 13 and 15 (both par 3) – making it difficult and enjoyable to the player. The golf course is cultivated with the Paspalum grass variety (Paspalum Vaginatum). Our great staff is taking good care of the course, day by day, committed to a level of excellence that will make your visit to Punta Cana Golf Club a sweet memory. Thank you for your visit and we hope to have you back on your next trip to the Dominican Republic.
