Beautiful and cozy villa with a total area built of 345 m² (3,714 ft²) with a view of the 10th Hole of our Golf Course Punta Blanca, close to the Club House and Beach Club. Built with the highest quality control in every way and for discerning tastes with beautiful gardens, magnificent landscaping, pool, woodworking.

**Built on two histories and this consists of awning, social areas, service and rooms;
 With the following distribution:**

In the first level spacious room from which you have a great view of the terrace, the patio and the Golf Course, crossing the windows of the living room integrates the terrace with its pool. In the right side we will find the bathroom of visit, hallway towards the kitchen and the dining room, also we will find the areas of support (room of service and laundry). In the left side you will find a guest room with its private bathroom which has a beautiful view of the golf course and direct access to the patio and terrace.
